

# Winter Play

**Think about fun activities in winter and check your thinking.**

I can have snowball fights.

I can make a snow man.

Today is cold! Brrr!  
There is white snow.

My dad and I play outside.  
We throw snowballs.

My dad makes a snowball.  
It is a white ball.  
He throws the snowball!  
It hits me!  
It doesn't hurt me.  
The snowball is soft and it breaks.
